HOW WORK GETS LOST

Work stops between two people.

SWIPE →

See everything. Chase nothing.

THE MOMENT

Nobody notices

The quote is ready. The next person never hears. It waits.

WHAT IT COSTS

You find out when the client does

The gap between two people is where most delays begin.

WHAT CHANGES

Each step has an owner

When one step is ticked, the next person's step appears.

WHAT YOU SEE

A checklist and a time

Every step says what done means and when it is due.

IN PRACTICE

Our family firm runs on this

At VSP Consultants, every enquiry moves step by step to a mandate.

Work moves to the right person, step by step.
